On May 8, 2012, pursuant to a ruling by the Eighth Circuit Court of Appeals, the EEOC's claims on behalf of Monika Starke and Tillie Jones were revived and returned to this Court for disposition. The EEOC acknowledges, however, that the law of the case, specifically this Court's order of August 13, 2009 [ECF Docket No. 263], bars its claim on behalf of Tillie Jones.
